Call for Abstracts

Guidelines for Preparation of Abstracts

The abstract for oral and poster presentation should be submitted on one single-sided A4 sheet with font size '12p', font type 'Times new roman' and a maximum word count of 500. Special characters and abbreviations should be avoided.

Please submit structured abstracts in the following format:

- Title of the abstract
- Presenter(s), Author(s), affiliations (University/Department) & Address, email & contact No(s)
- Introduction – Foundation for research, Research question & objective(s) of the study
- Material and methods
- Results
- Conclusion
- Acknowledgements of Funding (if any)

How and where to Submit

The abstract may be submitted through email as attached MS Word file or a text file to the following address:

Email: phcon19@kmu.edu.pk

Subject of the Email: Name of the presenter & title of the abstract

Your abstract may either be:

Accepted for oral presentation. You will be informed of the session and time of presentation and the total time allowed for presentation; OR

Accepted for Poster Presentation. The size of poster and venue will be communicated to you.

Ps. It is very important that a valid and current e-mail address be on record for all presenting authors. Conference organizers should be notified with changes in e-mail addresses or other contact information.
