TTS Eligibility Criteria

Professor	To be eligible for appointment or promotion to the rank of Professor, the faculty member is required to have a Ph.D./Relevant terminal qualification from a recognized and reputable Institution in the relevant field with either 11-years post-Ph.D./Relevant terminal degree or minimum of 7-years of post-PhD experience with at least 12 years of experience prior to the PhD. The experience to be counted is to be of teaching/research in a recognized University or a post-graduate Institution or professional experience in the relevant field in a National or International Organization. In addition 15 research publications (with at least 5 publications in the past 5 years) in internationally abstracted Journals, recognized for the purpose of appointment on Tenure Track by the Higher Education Commission, are required.
Associate Professor	To be eligible for appointment or promotion to an associate professorship the faculty member is required to have a Ph.D./Relevant terminal qualification from a recognized and reputable Institution in the relevant field with either 6-years post-Ph.D./Relevant terminal degree or minimum of 4-years of post-PhD experience with at least 6 years of experience prior to the PhD. The experience to be counted is to be of teaching/research in a recognized University or a post-graduate Institution or professional experience in the relevant field in a National or International Organization. In addition 10 research publications (with at least 4 publications in the past 5 years) in Internationally Abstracted Journals, recognized for the purpose of appointment on Tenure Track by the Higher Education Commission, are required.
Assistant Professor	a) To be appointed as an Assistant Professor on Tenure Track, the candidate is required to have a PhD/Relevant terminal qualification from a recognized institution and excellent written communication skills as well as excellent presentation skills. An Assistant Professor should be demonstrably competent in the subject matter area of courses taught and should have indicated a serious commitment to teaching, but it need not be expected that an extensive reputation in the field has been acquired. As the Assistant Professor continues in this rank an effort to increase knowledge and improve teaching ability should be demonstrated, and professional presentation should be made through papers to professional organizations, through publications, or through other creative work.
